WOW! Wow! WOW and more WOW!!

If you can get to Dallas-- RUN to SEE THIS BEAUTIFUL, EXHILERATING, LIFE CHANGING Masterpiece of ART! <3

The Tony Award nominated director Jeff Calhoun's vision along with Eamon Foley's choreography-- is SPECTACULAR! Anna's writing of course is BRILLIANT!

As we have watched her sit at our own piano and create master work, it is a delight to our heart to get to now see her brilliant lyrics and music we fell in love with in 2019 have been turned into

a BROADWAY SHOW. WE knew it would from first listen... <3

I LOVE producers and directors who think outside of the box-- so a cirque du soleil tent for this show IS PERFECTION! The revolving and rising stage, the use of few and natural items as props- such as boxes, sticks, pieces of wood & sand is so beautiful and breathtaking. The graphics bring color and an added dimension to the story as well as to Anna's absolute glorious music and lyrics. And the cast-- brings this to life with such passion and joy. You just leave changed and as if you knew each one of them, personally.

And the most important thing is that it is FRESH and NEW! It isn't Godspell or Jesus Christ Superstar (I love both, being in Godspell was one of my favorite roles I ever played!) BUT this show portrays the WORD OF GOD and not a leader type guy who "could be Jesus" as those shows do but the REAL healer, redeemer, savior who truly has the WORD and is the WORD of life.

I knew when I heard it for the first time-- God was going to use it for GREATNESS and to touch lives! HE sure is doing that and I am so proud of @anna_miriam_brown as I know that has always been her heart and why she wrote it. <3 I love you sweet lady. <3

We were blessed to get to see this show 4 times while in Dallas and had friends come in from Indiana, Missouri, Oklahoma and Florida to see it with us-- totaling about 30 people all together and we ALL LOVED IT-- And some have even texted us- longing to get back to Dallas to see His Story again! <3 We just may head back in the Fall.

I loved this show and can't wait to experience it again! The characters are vivid, memorable, current and relatable (can't stop thinking about Judas, Mary Magdalene and Mary, Jesus' mom). The writing, music, lyrics and harmonies are powerful and filled with goosebump harmonies. Being so close to the stage "in the round" is such a rare treat, as well! You can really see their facial expressions! The talented actors are all amazing dancers, and the staging and choreography and lighting filled with vibrant energy. This show is for ages (probably) 8 and up. It is relatable, very personal, poignant (I felt tears a number of times), funny, and so filled with hope in God who loves us! The STORY is God loves humanity SO much that He came to earth and lived with us to show us His love and the lengths He goes to draw us to Himself. I would feel comfortable bringing anyone to see this show no matter how near or far they feel they are from God.

Great date night! My wife and I enjoyed the performance. The choreographer did a fantastic job and the actors and actresses embraced their roles. The stage is set up in a way that seating is decent from any angle.

His Story the Musical was AMAZING!!! It was written by a homeschooled teenager who, after seeing Hamilton, was inspired to bring to story of Jesus to her generation in a similar way. We've been listening to His Story the Musical (Original Cast Recording) for years, and we absolutely LOVE the music and how the songs tell the story of Jesus' life. Some of our favorite songs are Arrive, The Easy Way, and I Never Knew You. Since that CD was released, some songs have been updated and new songs have been added to flow better for the stage performance. Listen to the music on Amazon Music, Spotify, YouTube, etc before you go and you'll love the performance even more...I kept wanting to sing along! The choreography reminded me of Disney's Descendants movies! The whole performance was just such a unique and exciting way to tell the story of Jesus' life. I think Generation Z, especially, will definitely connect to His Story the Musical!

What a fun show for the whole family. We enjoyed it so much, the round theatre and the screen around the top make for such a fun immersive experience. The actors are so good, and the setup of the round stage make viewing from each seat phenomenal. Bravo! Can't wait to come again and bring friends next time.

Incredible! My family is visiting from FL in a few weeks and are excited to experience this show. The music is so good I've had the songs stuck in my head for days.

Wow!!! This show is absolutely incredible! I saw it last week with my 14-year-old daughter and we were both so impressed with it. The show was so good that we came back the very next night and brought my husband and our 6-year-old & 10-year old daughters. All three of them loved the show as well! The girls were on the she of their seats the entire time.

Our family keeps laughing about how all of us walk around the house now singing songs from the show. The songs are so catchy - we just can't stop singing them! Favorites include: "One Step At A Time" and "I Never Knew You."

This review wouldn't be complete without mentioning how BRILLIANT the staging and choreography is! The entire cast is pretty much onstage for 90% of the show and there isn't a "weak link" among them. Every member is pouring their heart out. Stand outs definitely are Jesus, Judas, and the girl who plays Satan. (When I first saw it was played by a girl, I was honestly disappointed. And then.... Wow! I was shocked at how amazing the performer did and couldn't imagine her not playing that role! Her song at the end with Judas was powerful and did it's job by breaking my heart for Judas.)

But....by far...my favorite part of the show is - the backstory of the writer, Anna, and how God used a 16-year-old girl, with no experience in music, to create something truly extraordinary. Do NOT miss your chance to go see it!

Everything about this experience was amazing. The venue is set in a beautiful location with lots of restaurants and stores within walking distance. There is not a bad seat in the tent. Our 3, normally wiggly kids, were captivated the entire time. The actors did and incredible job portraying the gospel story of Jesus in a way that will leave a lasting impression. I recommend bringing a jacket because it stays very cool in there!

THIS THE COOLEST THING EVER!!! I LITERALLY LOVE IT SO MUCH!!! The choreography is absolutely beautiful and you can really get a deeper feel for the story through it. The songs are INCREDIBLE, LIKE WHAT SUCH AMAZING AND SMART WRITING!!! They are always stuck in my head now. ALSO LOVE THE CHARACTERS! think it's so cool that it's in a tent!

Wonderful evening! Emotional-beautiful-and I was surprised had funny moments! Whoever did the choreography-the movements perfectly told the story!

Wow. I'm going to see it again tomorrow. It's like the whole package. Super top actors bring story to life beautifully.

I know this story- so I was delighted to hear a fresh perspective while staying true to the story of Jesus.

And the songs! I have a number of them stuck in my head.

(Should I feel guilty that one of my favorites is Judas singing “nobody’s never bluffing- no one ever does something for nothing”???)

I heard this musical plans to be here for a good while- so gather your family and friends and come see it!

This was an experience we will never forget! We traveled from out of state with our kids and were not disappointed. The music and choreography were incredible, the cast blew us away! There were some funny moments, and some deep moments that brought me to tears & gave me spiritual revelation. It may have been a bit too heavy for my youngest child (age 3) but it kept her attention the entire time, which is just a testament to how visually fascinating this entire production was. All of our kids loved it so much!!! We’re telling all of our friends to make the trip!

We have been listening to the songs from His Story for 4 years, so what a joy it was to see it brought to life on stage today! The set up makes so there isn’t a bad seat in the entire space. I love how the stage moves around to give everyone a front row view. Every actor gave their all to this performance, a very impressive group of young men and women.

cried so many times it was so powerful . The musical and choreography is so beautiful. The cast is so incredible ❤️

I was blown away!! The music is excellent and the cast is talented. The stage is a circle that rotates and elevates and is surrounded by the audience. The venue is a tent, which allows for immersive lighting projections on the roof. The overall choreography and movement of the show was smart, interesting, beautiful, powerful, and at times impressively jaw-dropping.

All of the songs are now stuck in my head and I can't get them out. On that note, I highly recommend listening to the music in advance (it's on the website) so you can really appreciate the magic of everything going on while you're there in person.

Also, worth noting that I'm not all that religious and still really connected with the message and enjoyed this show.

Great job to everyone involved!

Woah, what an experience. Never seen anything like this. Seriously worth it.

The tent is SO cool.

The show's lighting and presentation is so good.

I'm so excited for everyone who gets to see this.

As someone who loves theatre, I was nervous about this show. Christians don't always do a great job when trying to balance story & quality.... and I was nervous that this wouldn't live up to the hype.

But I have to say I was tremendously wrong in my low expectations. This. Performance. Was. Amazing. Period.

The songs take a story that some of us are very familiar with and bring out new aspects of the real human story taking place. It connects in a real, deep, and vulnerable place.

Fav song: "My name is Jesus" .Ah the staging for this was so dang cool. But "The Easy Way" and "What Am I Supposed to Say" are close seconds.

Fav Character: Judas. Somehow loved loved loved this character. "Lost Cause" got me.

The music is different than the Spotify version, but it's SO much better! They added a lot more character development and the story flows so much better.

The theatre with the round stage is small and intimate, no matter where you sit, you can see the expressions on the actor's faces. It really personal experience, the musical fits in very well with this type of staging. Also THE CHOREOGRAPHY! Ahhhh It was so good! There was some incredible lighting, and they projected things on the tent walls around you, it felt totally immersive. It was a very unique theatre experience.

We were sitting on the side of the keystone staging (the gray wedge on the map) and I would recommend sitting directly across from that to get the best view. They did a few dance things that we didn't get to see to full effect because of our seats.

The tent had air conditioning and bathrooms, it didn't feel very tent-like. When we were outside,

you could hear some of the music, but when inside, you couldn't hear anything. I have no idea how they soundproofed it like that.

We even got to talk to some of the actors afterwards, and they were some of the most kind and lovely people. The staff we met were also really lovely. As we were there for basically the previews, there was a palpable air of excitement and newness. I am excited to see how this production grows.

Basically, 10/10 experience.

Talented group of singers, dancers & actors! Creative lyrics, choreography & staging! Every seat is a good one! My only criticism is that we could not understand all of the lyrics. I kept wishing there was a link where I could see the subtitles either on my phone in sync with the music or up on a screen somewhere in the theater. Bring a jacket, the theater is very cool.

FYI Quartino (opens soon) is a fun new restaurant next to the theater. Good luck to the cast and crew!
